OTHERWISE	

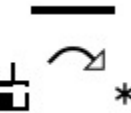

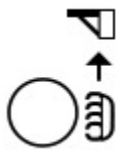

American Sign Language (ASL) Dictionary

Unedited 08082023

Spoken Word	SignWriting
otherwise	<p>The signwriting for 'otherwise' consists of two parts. The top part shows a hand with fingers spread, palm facing left, positioned above a solid black circle. The bottom part shows a circle with two horizontal lines inside, positioned above a small square with a vertical line through its center. To the right of this square is a small circle with a dot in the center, and an arrow points upwards from the square towards this dot.</p>
our	<p>The signwriting for 'our' features a horizontal line at the top. Below it, two hands are shown with palms facing each other. Each hand has an asterisk (*) next to it. In the center, between the hands, is a vertical line with a horizontal crossbar.</p>
our	<p>The signwriting for 'our' shows two hands with palms facing each other, each with an asterisk (*) next to it. In the center, between the hands, is a vertical line with a horizontal crossbar.</p>
our	<p>The signwriting for 'our' features a horizontal line at the top. Below it, two hands are shown with palms facing each other, each with an asterisk (*) next to it. A curved arrow indicates a rotation from the right hand towards the left hand.</p>
our	<p>The signwriting for 'our' features a horizontal line at the top. Below it, two hands are shown with palms facing each other, each with an asterisk (*) next to it. A curved arrow indicates a rotation from the left hand towards the right hand.</p>
our - rotation left	<p>The signwriting for 'our - rotation left' features a horizontal line at the top. Below it, two hands are shown with palms facing each other, each with an asterisk (*) next to it. In the center, between the hands, is a vertical line with a horizontal crossbar.</p>
our - rotation - right	<p>The signwriting for 'our - rotation - right' features a horizontal line at the top. Below it, two hands are shown with palms facing each other, each with an asterisk (*) next to it. In the center, between the hands, is a vertical line with a horizontal crossbar.</p>
our-2h	<p>The signwriting for 'our-2h' shows two hands with palms facing each other, each with an asterisk (*) next to it. A curved arrow indicates a rotation from the right hand towards the left hand.</p>

SignWriting	 The SignWriting symbols for the word 'SignWriting' are arranged vertically. The top part shows two hand configurations: the left hand with fingers spread and thumb up, and the right hand with fingers spread and thumb up. Below these are two sets of arrows: the first set has a left-pointing arrow above a right-pointing arrow, and the second set has a right-pointing arrow above a left-pointing arrow. A small square is positioned between the two arrow sets. Below the arrows is a crescent moon symbol. The middle part of the symbols shows a hand configuration with the index finger pointing up and the thumb pointing right, with a small square below it. The bottom part shows a hand configuration with the index finger pointing up and the thumb pointing right, with a small square below it. At the very bottom is a hash symbol (#).
