photocopieur	 The sign for 'photocopier' in LSQ consists of three distinct parts. The top part shows two hands, one on the left and one on the right, with fingers spread, positioned as if holding or presenting something. Below this is a vertical line with an asterisk (*) in the center, and another vertical line below that. The bottom part of the sign features a square with a diagonal line from the top-left to the bottom-right, a right-pointing arrow, and a hand with fingers spread, similar to the top part but smaller and positioned to the right.
