

## The Fill Key in SSS-2004

Fills are defined differently depending on Symbol Type:

### 1. Hands

The Fill Key for Hand Symbols changes **Palm Facings**:

← Symbol-At-A-Glance →					
01	02	03	04	05	06
					

### 2. Contact Symbols & Finger Movements

The Fill Key shows the number of times the contact is made, or the number of times the finger opens - closes.

← Symbol-At-A-Glance →					
01	02	03	04	05	06
*	**				

← Symbol-At-A-Glance →					
01	02	03	04	05	06
∧	∩	∩			

### 3. Right & Left Movement Arrows

The Fill Key changes right, left and general arrowheads:

Symbol-At-A-Glance					
01	02	03	04	05	06
←					→
↑	↑	↑			
					01

### 4. Small Movement Arrows That Do Not Show Right & Left

The Fill Key shows the number of times the movement is made, such as singles, doubles, triples and so forth...

Symbol-At-A-Glance					
01	02	03	04	05	06
↑	↑↑	↑↓	↑↑↑	↑↓↑

## 5. Facial Expressions

The Fill Key changes symmetrical halves of faces:

←		Symbol-At-A-Glance				→	
01	02	03	04	05	06		
							01
							02
							03

## 6. Small Related Symbol Changes Involving Contact, Dynamics, or Very Tiny Movements

Facial Expressions or parts that are related to each other, but the only change is something very small:

←		Symbol-At-A-Glance				→	
01	02	03	04	05	06		
							01

## 7. Limbs

The Fill Key changes bending degrees in limbs:
